

Integration Document

Introduction

This guide will show you how to configure PayUmoney as your payment processor on Jumpseller platform for payments through Credit Card, Debit Card, Net banking and Saved Cards.

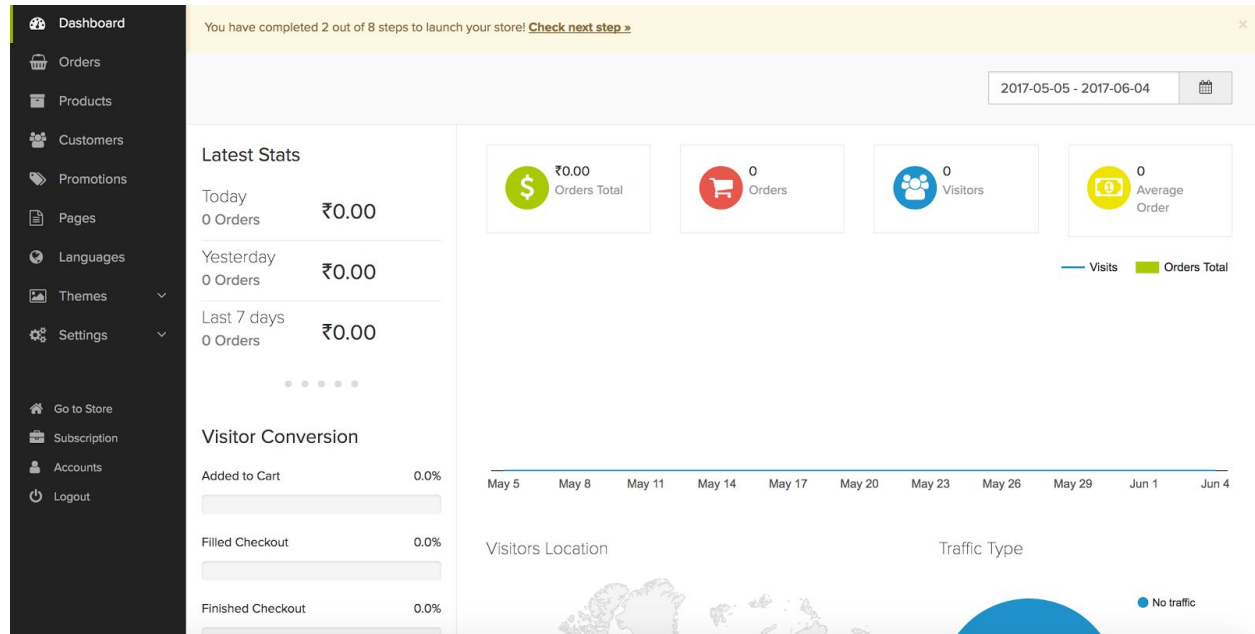

Prerequisites

To Integrate PayUmoney payment gateway, you must:

1. Have a merchant account with PayUmoney. If haven't already registered, please visit <https://www.payumoney.com/> and then register as a merchant.
2. Know your Salt & Key. These are available on the dashboard. If you already have a PayUmoney merchant account, please login at <https://www.payumoney.com/> and you will be able to retrieve your salt and key from the "Account details" tab.

Steps to Integrate

1) Login to your Jumpseller Admin Dashboard.

2. Click on 'Settings' and then choose 'Payments'.

You have completed 3 out of 8 steps to launch your store! [Check next step »](#)

Your Payment Gateways

Payment gateway availability depends on the country. Not sure how to choose? [Read here.](#)

Merchant key

Salt

Authorization

Get the PayUMoney credentials from the [PayUMoney backend](#) in Manage Account -> My Account -> Merchant-Key Salt

5. Enter the **Merchant Key & Salt & Authorization Header** available from the PayUmoney Dashboard.

6. Tab out to save the details. You can now start collecting Payments via Payumoney on your Jumpseller website.

Testing

If you want to test the payment first, you should obtain test values for "Merchant Key" and "Salt" (not production) and enable checkbox "Enable PayU Test mode)".

Test MID: 4934580

Test Key: rjQUPktU

Test Salt: e5ilg1jwi8

Test Authorization Header: y8tNAC1Ar0Sd8xAHGjZ817UGto5jt37zLJSX/NHK3ok=

Below are the test card details for doing a test transaction in the testing mode. You may

use the following card details for testing:

Card Name: Any Name

Card Number: 5123 4567 8901 2346 CVV: 123

Expiry Date: 12/2017

Technical Assistance

For any queries, please book a slot using the below mentioned link and our technical team representative will call you at booked timings for query resolution.
